 - Coordinating and guiding the students on their Final year projects and seminars.
 - Carrying out the work as examiner, evaluator and paper setter as and when assigned.

EXPERIENCE IN INDUSTRY (Thirty Nine years)

i. HINDUSTAN AERONAUTICS LTD.-(24 years) :

I joined this organization as Manager (M/c shop) and grew to the position of Additional General Manager through working in different divisions and departments as mentioned below, in brief:

- HAL accessories division Lucknow:
 - Headed departments of Tool room, Planning, Quality control and Management services department.
 - Established and spearheaded the outsourcing department in the division.
 - Spearheaded the “Mechanical Factory” of HAL’s Accessories Division, Lucknow as independent business unit. This factory carries out the activities of Manufacturing/Repair & Overhaul of Hydraulic & Electromechanical Accessories e.g. Hydraulic jacks & Actuators, Undercarriage, Environmental Control System, Flight Control System etc. for Military Aircrafts of European/Russian origin, as well as those of HAL’s own designed Accessories of Aircrafts & Missiles. The factory had 115 qualified engineers/technocrats and 650 skilled and experienced workers.
- HAL Electronics Division, Hyderabad:
 - Headed quality control department of the division.
- HAL Avionics Division, Korwa (U.P.):
 - Apart from managing production related activities lead a very difficult and challenging project of mfg. high precision Gyro & Accelerometer for the A/C & MISSILES applications, was undertaken under my leadership.
 - Contributed to planning a diversification project of producing Ring laser Gyro in collaboration with M/s sextant ltd. France.

ii. Triveni Engineering Works Limited (rechristened as Triveni Turbines Ltd.), Allahabad (UP), India (15 Years)

Joined the group as a Trainee Engineer and subsequently rose to the position of **Senior Deputy Manager**. Here, I have been responsible for managing the activity of manufacturing, assembly and testing of “**Steam – Turbines**”, the flagship product of the company, leading a group of 300 employees and officer.

FOREIGN COUNTRIES VISITED

- To “ **M/s Sextant France**” in the year 1997 in relation to planning for the transfer of technology (TOT) for Ring Laser Gyro (HAL, Korwa)
- To **Indonesia** in the year 1977 and 1978 both times for about 1½ months for supervising erecting and commissioning of company supplied machineries (T.E.W. Ltd., Allahabad)

ACADEMIC BACKGROUND

- Master's Degree in Business Administration (**MBA**) from *IGNOU*, New Delhi in the year 1992
- Master's Degree in Engineering (**M.E. "Production"**) with a first class and honors from MNR Engineering College (presently NIT), Allahabad in the year 1984
- First class bachelor's degree (**B.E. "Mechanical"**) from MMM Engineering college, Gorakhpur in the year 1970

MEMBERSHIP of PROFESSIONAL BODIES

- The Aeronautics Society of India- Member (16040)
- Institute of Engineers, India- Associate Member- Mech. (32061)

HOBBIES & EXTRA CURRICULAR ACTIVITIES

- Reading Management, technical and Literary Publications.
- A good player of table Tennis, have keen interest in various games in general.
- Yoga & Spiritual activities.

STRENGTHS

- High degree of **Leadership and Team Building** qualities
- In- depth Knowledge in Manufacturing Assembly & Maintenance area
- Good **Presentation , Organizing & Coordinating** skills
- Interpersonally competent, a good speaker, having spiritual bent of mind, health consciousness and an attitude to search for better in every aspect of life
